Situation

The map shows the region around Neuchâtel, Switzerland. Key locations include Neuchâtel, Yverdon-les-Bains, Payerne, Cousset, Fribourg, Lausanne, and Genève. Lakes shown are Lac Neuchâtel and Lac Léman. A scale bar indicates 25 km. A legend indicates that black circles represent towns and red circles represent lakes.

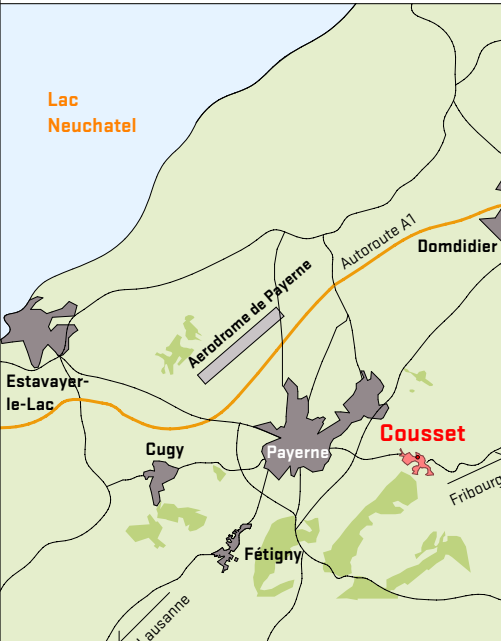

Cousset à :

- 3 min de Payerne
- 26 min de Yverdon
- 28 min de Fribourg
- 40 min de Lausanne

6. Gare de train et bus
7. Restaurant
8. Ecole

The site plan illustrates a residential development in Arbogne. The central focus is on two large, rectangular buildings, Bâtiment A and Bâtiment B, which are colored in a light brown/orange hue. They are situated between a parking lot and a road. The parking lot, located between the two buildings, contains 16 numbered spaces (5-20) and includes a designated accessible space marked with a wheelchair symbol. To the left of the buildings is a road labeled 'Route des Arbognes 17 a' and 'Route des Arbognes 17'. To the right is 'Route des Arbognes 25 b' and 'Route des Arbognes 25 a'. Further right is 'Route des Arbognes 27'. Below the main road, 'ROUTE DES ARBOGNES', is an 'ACCES' point marked with a red arrow and 'IMG.1'. Other roads shown include 'Route des Arbognes 20', 'Route des Arbognes 22', 'Route des Arbognes 24', 'Route des Arbognes 26', 'Route des Arbognes 18', and 'Route des Arbognes 28'. A red line outlines the perimeter of the development. The top of the plan shows a 'FORET' (forest) area and a 'LIGNE YVERDON-FRIBOURG' railway line with 'VOIES FERREES TRAIN CFF'. A north arrow and a scale bar (0-20m) are located in the top right corner. The plan also includes various landscape features like trees and a small structure labeled 'BÂTIMENT C' near the bottom right.
